CFOA will have their Annual Event for 2018 in Niagra ON.

Meeting Adjourned @ 8:00 PM.

### **Allocators Report**

This has been a good season overall with a few issues here and there but overall all went well! Thanks to all the Officials who worked this season and those that were willing to travel to the more than 2 parks on those days when we needed them most! I know that the VCFL & VMFL as well as the teams appreciated your efforts

Of the more than 320 games played this season, there were issues in the following

17 games did not have full crews

1 Atom game had only 2 officials

2 JB games had only 3 officials

1 JB game was missed

The balance of the games were a mix of Atom & PW with only a crew of 3 officials

There were 636 games declined or turned back, or the time to accept had passed. Once a game has been declined an official is automatically blocked for that day, so there is no opportunity to assign other games to that official on that day, these games were allocated to other officials.

There were 64 members showing as active on arbiter.

All members of the executive declined or turned back games at some time during the season.

I believe all members were assigned games during the season.

There were 7 officials injured some for most of the season and were not available.

There were 4 officials that did not work any games.

There were a number of officials who did not block off their days but did email me saying they were unavailable, and or had issues declining games or turning back games on arbiter, or for whatever reason just did not work

There was a request from the executive to limit games to 5 officials.

As allocator I did not have arbiter available to me on my phone.

There was 1 game missed at Dennison it was a JB & both teams were more than happy to reschedule the game to the following Wednesday, since one team had a lot of injured payers.

Other than that I believe all went well, must have since I only had 1 issue with an official.

Enjoy the well-deserved time off with your families over the Christmas season & I hope most of you will be back working games in the 2018 season.

Have a Merry Christmas & Happy New Year.

Thanks

Avril Cawthra

LMFRA Allocator
