

To all LMFRA members:

Due to escalating cases in the majority, if not all of the schools, in the Fraser Health District and the travel restrictions imposed by the Provincial Health Officer. The LMFRA Executive passed a motion to end the 2020 officiating season. The LMFRA will not officiate any more games in the calendar year 2020. The decision was not difficult to make, the overall concern for the safety of the LMFRA membership overcame any thoughts that we were ending the football season for the coaches and players.

Covid-19 is a deadly disease. 1000 cases a day. 10+ dying each day. The 2020 game schedule has one week remaining in the season and unnecessary playoff games are planned; football is not that important. The risk is too great for the LMFRA officials and their loved ones to even think of officiating the last few games.

To all the LMFRA members, that came forward, to officiate games this year a big thanks for your efforts in a very troublesome time.

To all our members: I know, due to the decision by the Executive, that I can wish you all a very Merry Xmas and a Happy New Year with confidence that the LMFRA will prosper in 2021.

Les Caldwell  
President LMFRA
